New Pay Scales to Physicians of the Indian Medicines Systems

3044. SHRI S. S. AHLUWALIA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether any proposal has been sent by the Ministry of Health and Family Welfare to the Ministry of Finance in respect of removal of anomalies in implementing new pay scales to Physicians of Indian Systems of Medicines as recommended by the *Fourth Pay Commission*;

(b) if so, when the proposal was sent and what are the details thereof; and

(c) what is the final outcome of the case and by when the wages will be paid to physicians of Indian System of Medicines as per new scales, on which the Allopathic Physicians are being paid?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) Yes, Sir.

(b) and c) The ISM and Homoeopathy Physicians are presently getting the pre-revised pay scale of Rs. 650—1200. The Fourth Pay Commission; in para 10.249 of Part I of their report, have made the following recommendation in this regard:—

"It would thus appear that ISM/Homoeopathy Physicians possessing degree qualifications are at a disadvantage as compared to allopathic doctors because the allopathic doctors were included in the Central Health Service. We recommend the posts in the existing scale of Rs. 650—1200 may be given the scale of Rs. 2200—4000 if the incumbents are degree holders in Ayurvedic, Siddha Unani and Homoeopathic Systems of Medicine. The method of recruitment of ISM/Homoeopathy degree physicians should be brought on the Central Health Service Pattern."

The above recommendation of the Pay Commission was examined in the Ministry of Health & Family Welfare and the views of this Ministry regarding pay scales of various categories of ISM and Homoeopathy Physicians were communicated to the Ministry of Finance on 29th December, 1987 for their consideration.
